**SUBJECT:** Designated Provider List Notification Letter

To make sure you receive the care you need, we are filing a claim with our worker's compensation carrier, Travelers. Travelers will contact you with your claim number and additional information very soon. In the meantime, you should see one of the medical providers we have selected to treat our injured employees. These medical providers specialize in on-the-job injuries, and I want you to have the best possible.

State rules and regulations and the facts of a claim may impact an insurance company's obligation to pay for medical treatment if an injured worker changes doctors after treatment has begun. Injured workers are advised to check with their claim handler, nurse case manager or legal representative before making an appointment with a new doctor to determine whether changing doctors will affect their claim.

In order to ensure no out-of-pocket expenses for your work-related prescriptions, please provide the pharmacist with the following information:
